PAVING RESTORATION

Felix A. Marino Co., Inc. (FAMCO) has been providing pavement maintenance and preservation services throughout the New England region for over 65 years. A pioneer in the industry, **FAMCO** has patented and developed specialized products to help our clients preserve and maintain their pavements.

FAMCO is one of the first commercial providers of true pavement patching to the municipal market. **FAMCO** has developed patented patching techniques as well as developed various methods to meet any pavement restoration need. A pioneer in the industry, **FAMCO** continues to provide quality same day patching and delivers year round.

FAMCO provides the following pavement services:

- Same day patching
- Year round pavement services
- Hot box deliveries for night, weekend & off-season
- Milling and paving
- Cutting and patching
- Railroad Crossings
- Utility-Cut Programs
